

# PALLET STOP BEAM

Husky Rack & Wire's exclusive pallet stop beams provide accurate pallet placement and prevent unsafe pallet overhang. Husky's standard beams, used in combination with our pallet stop brackets, provide you with full bay width protection and are easy to install.

Each of the three available brackets offer three offsets.

## Offset Options

Option 1 - Flush, 1", 2"

Option 2 - 3", 4", 5"

Option 3 - 6", 7", 8"

Pallet stop beam placement can vary and should be based on job site pallet and load specifics, please contact your distributor for more information.
